Subject: Manuscript Status Update On (ID: 10430289): Current Status - Under Peer Review- The influence of climate in West Kutai (East Kalimantan) on the intensity of disease attack upas fungus (*Corticium* sp.) on rubber plants (*Hevea brasiliensis* Muell.Arg.)

Dear Helda Syahfari,

Thank you very much for submitting your manuscript to HRPUB.

Your paper entitled "The influence of climate in West Kutai (East Kalimantan) on the intensity of disease attack upas fungus (*Corticium* sp.) on rubber plants (*Hevea brasiliensis* Muell.Arg.)" has now been screened by journal editors.

We are writing to inform you that your manuscript meets the general criteria for the journal and has been sent out for peer review.

We will contact you again once a new decision is made on your manuscript. And you will expect a review report from Anthony Robinson (revision.hrpub@gmail.com) in the following 45 days. Peer review reports are also downloadable in Online Manuscript Tracking System (<http://www.hrpub.org/submit/login.php>) once the review process is completed.

The author will be requested to pay the Article Processing Charges after the manuscript is accepted for publication.

For the charging standard, please refer to http://www.hrpub.org/journals/jour_charge.php?id=04

Please feel free to contact us if you have any questions. Besides, could you please leave us an alternate Email Address in case?

For more information, please visit the journal's homepage.

Guidelines: http://www.hrpub.org/journals/jour_guidelines.php?id=04

Please acknowledge receipt of this email.

Best Regards

HRPUB Publication Agreement

Horizon Research Publishing (HRPUB) is a worldwide open access publisher with over 50 peer-reviewed journals covering a wide range of academic disciplines. As an international academic organization, we aim to enhance the academic atmosphere, show the outstanding research achievement in a broad range of areas, and to facilitate the academic exchange between researchers.

The LICENSEE is Horizon Research Publishing (HRPUB), and

The LICENSOR is Helda Syahfari

The purpose of this agreement is to establish a mutually beneficial working relationship between The LICENSEE and The LICENSOR.

WHEREAS it is the goal of the LICENSEE to provide an open access platform and

WHEREAS the LICENSOR is willing to furnish electronically readable files in accordance with the terms of this Agreement:

Manuscript Title: Identification of Climate Influence on Upas Fungus (Corticium sp.) Disease Intensity on Rubber Plants (Hevea brasiliensis Muell.Arg.)

Manuscript ID: 10430289

It is mutually agreed as follows:

COPYRIGHT:

1. LICENSOR retains all copyright interest or it is retained by other copyright holder, as appropriate and agrees that the manuscript remains permanently open access in LICENSEE's site under the terms of one of the following Creative Commons Licenses:

Creative Commons Attribution International License (CC BY)

Creative Commons Attribution-NonCommercial International License (CC-BY-NC)

LICENSEE shall have the right to use and archive the content for the purpose of creating a HRPUB record and may reformat or paraphrase to benefit the display of the HRPUB record.

LICENSEE RESPONSIBILITIES:

2. LICENSEE shall:

- Correct significant errors to published records for critical fields, described as the title, author, or bibliographic citation fields;
- Provide free access to the full-text content of published articles;
- Provide availability to the perpetual archive with exception for unavailability due to maintenance of the server, installation or testing of software, loading of data, or downtime outside the control of the LICENSEE.

LICENSOR RESPONSIBILITIES:

3. LICENSOR shall confirm that:

- Copyright of the material in your manuscript which is not your own must be cleared;
- The manuscript is original, free from plagiarism, has not been published previously and is not under consideration for publication elsewhere;
- All of the facts contained in the material are true and accurate;
- Nothing in the material is unlawful or libelous;
- Conflict of interest is declared clearly in the manuscript.

Please sign to indicate acceptance of this Agreement.

Subject: Revision after Peer Review (ID:10430289)-The Influence of Climate in West Kutai (East Kalimantan) on the Intensity of Disease Attack Upas Fungus (Corticium sp.) on Rubber Plants (Hevea brasiliensis Muell.Arg.)

Dear Helda Syahfari,

Thank you for your interest in publishing your work in HRPUB.

Your manuscript has now been peer reviewed and the comments are accessible in Word format. Peer review reports are also downloadable in Online Manuscript Tracking System (<http://www.hrpub.org/submission/login.php>).

We would be grateful if you could address the comments of the reviewers in a revised manuscript and answer all questions raised by reviewers in a cover letter. Any revision should be made on the attached manuscript.

Note:

1. In addition to necessary revisions, please note that the similarity index of the revised version should be lower than 18% and similarity from a single source should not exceed 5%.

2. Based on the theme of your manuscript, we would like to recommend the following published articles for your reference. If it is useful in enriching your manuscript, you can cite them in your manuscript. If not, just ignore it.

A Review of Climate Change Impacts on Agribusiness Value Chain in Nigeria <https://doi.org/10.13189/ujar.2021.090403>

Effectiveness of Olive Fruit Polyphenol Extract Combined with Aqueous Extracts of Solid Wastes of Pomegranate or/ and Orange Juice Against Important Plant Pathogens - Part 2 (in vivo studies) <https://doi.org/10.13189/ujar.2021.090201>

Please download the publication agreement (http://www.hrpub.org/download/HRPUB_Publication_Agreement2022.pdf) and fill in the authors' names, manuscript title, manuscript ID and signature, then send a scanned version to us.

Please submit the revised paper to us by email in MS Word or LaTeX format within two weeks and do not submit it into the Online Manuscript Tracking System.

The author will be requested to pay the Article Processing Charges after the manuscript is accepted for publication. For the charging standard, please refer to http://www.hrpub.org/journals/jour_charge.php?id=04

Look forward to receiving your revised manuscript as soon as possible.

Please acknowledge receipt of this email.

Best Regards

Subject: Urgent!!!-Proof Reading before Publication (ID:10430289)-The Influence of Climate in West Kutal (East Kalimantan) on the Intensity of Disease Attack Upas Fungus (Corticium sp.) on Rubber Plants (Hevea brasiliensis Muell.Arg.)

Dear Helda Syahfari,

Your manuscript has been accepted for publication. Authors are given a chance of checking the attached manuscript before publication. Please carefully check the whole manuscript to ensure consistency and accuracy in grammar, spelling, punctuation and formatting, especially those words or phrases proofread by our team, and send back the final version **within two days**.

All revisions should be made and highlighted on the attached manuscript.

Kindly note that the paper title, author names and affiliations shall not be modified once the paper is published.

Best Regards

Anthony Robinson
