Dear Authors,

We received your scientific paper.

The Editorial Board of AgroLife Scientific Journal will let you know the following issues:

- please write your article in accordance to the guide of authors - <http://www.agrolifejournal.usamv.ro/index.php/scientific-papers/guide>; (minimum 8 pages, mandatory requirement), **after this** your paper will be evaluated;
- articles should contain a significant number of references from Web of Science indexed literature.

Thank you for your cooperation!

Kind regards,
Editorial Board

Dear Editor Agrolife SJ.

On July 15, 2018, I have submitted with the title "A correlation among the increased temperatures toward the productivity of the ladang (swidden fields) at West Kutai Regency, the province of East Kalimantan, Indonesia". Now I'm submitting again.

I am waiting your information about my paper.

Thankyou

Warm regards

Akas PS-Samarinda
