Dear author ,

Kindly find the certificate in the attachment.

I can help you to format the paper (this also should be done by yourself), however I'm not sure about the citing. So, please revise it as the following two comments and send back the .doc and .pdf version:

1. Please cite Fig. 1 and Fig. 2 in the content;
2. Please cite all reference as order in the content.

All papers will be submit to Springer soon. According to the past situation, the proceeding will be online after about 3-4 months of the submitting.

We will announce the news when the proceeding is online.

Dear author,

Thanks for your emails.

However, I found the different author list compare the new version you attached in this email with I sent you in former email.

The full author should be Zuhdi Yahya, Puji Astuti, Zikri Azham, Maya Preva Biantary, Lisa Astria Milasari, Akas Pinaringan Sujalu

In your new version is Yudi Yahya, Puji Astuti, Maya Preva Biantary, Heni Emawati, Lisa Astria Milasari, Akas Pinaringan Sujalu

Please confirm and know that at this stage any changes about the author and content are not allowed.

Look forward to your new version copyright agreement.
